THE PALACE,
MYSORE.

255. 1. 1-2

My dear Mirza.

Would it be possible for me to take Mr Beasons to see the Palace either tomorrow or Tuesday morning? They leave on Tuesday - I wonder if you could kindly ascertain & let me know by tomorrow morning. You will be glad to hear that I had very satisfactory talks with the Resident as well as the General about

the Removal of Mr Mitchell
from Hebbal.
They were both "favourable"
to the matter being discussed
though as Mrs, of course,
cared to have noted affir
the War, in the way
of any actual removal.
I shall like to see you
at Mrs Thomas.
Yours
